

Phoenix Association
...caring for and rehoming animals in need

Re: Renewing your Membership for 2024 (25€ per person)

Dear Phoenix Member,

Almost at the end of another year, they go past so speedily! 2023 has been a year full of new happenings, with changes of Treasurer and President being especially important.

Phoenix held its first Dog Show which was such fun it is planned to become a yearly event. The Book Team liaised with Quatre Pattes to hold a mini-Fair in aid of both associations. More of these may be held, bringing the Book Fair out across the region. There are now monthly Dog Walks happening and Quiz and Cataoke Nights have been and will continue to be held.

Information about all these and other happenings will be found on the new website rapidly being constructed and updated as I write. Go to <https://www.phoenixasso.com/what-s-on>

Why is all this happening? Because there is an ever-increasing demand for assistance to animal welfare. There seems to be no end to the distress and need across our region. Your membership subscription will help Phoenix to continue to be there.

Please choose whether you prefer to,

A) Go on to the website and make a payment using the 'Donate' button.

<https://www.phoenixasso.com/support-us>

B) Write a cheque in euros and post to – Phoenix Treasurer
1460 Route de la Rivière
24520 St. AGNE

(Please make the cheque to 'Phoenix Association' and write ' for membership renewal' on the reverse)

C) Make a bank-to-bank transfer using the RIB attached with this email. There is also a RIB on the 'Support Us' page on the website.

That is all the instruction stuff done, now it simply remains to send a big **THANK YOU** on behalf of all the animals we will help in the next twelve months with your help. It is marvellous how generous Members and Supporters continue to be.

Thanking you in advance,

Madeleine Bath
