INTRODUCTION

Welcome to this independent auction in aid of Dordogne-based animal rescue charity: Phoenix Association
- a registered non profit organisation according to French charity status Loi 190.

Born out of a love for animals and recognising the challenges faced in the community with the rising number of stray cats and homeless animals, I decided to arrange this fundraising auction to support Phoenix Association, including Phoenix's programme to stabilise cat colonies and sterilise cats within Issigeac, Bergerac, Ferrensac and beyond. I have been overwhelmed by a record number of generous donations. I have sought to acknowledge all involved throughout this catalogue but do please speak to me if you have been missed (the auction has become much larger than anticipated!)

For over 20 years Phoenix has committed to attending to the welfare of homeless pets in this region. The Association is run by a group of dedicated volunteers and receives no funding from government agencies, we rely purely on the generosity of our supporters. For more about Phoenix speak to our volunteers at the auction and visit our website, www.phoneixasso.com

How the auctions work

On arrival register your name and contact details at the entrance where you will be given a numbered 'Bid paddle'. Keep it safe as this is your individual auction ID to use during the bidding on all items presented in both the Live and Silent auction rooms.

In the LIVE auction the auctioneer will describe the individual lot and call out the bids. Each time you raise your paddle during the live auction it will be recognised and your bid recorded. Throughout the Live bidding the Auctioneer's decision is final.

What is a 'silent' auction' ?

Some of you may not be familiar with the concept of a 'Silent Auction', so let me explain. Rather than an auctioneer calling out for bids, a silent auction is where the auction lots are displayed in a room. Written descriptions and a bid sheet are placed beside each item. There will be a starting bid and follow up bids are made in increments. Write your Paddle ID The highest bid at the end of the allotted time receives the item

Payments

If you make a winning Live auction bid, payment should be made by cash or by cheque (payable to Phoenix Association) to the cashier within an hour of the bidding. In the case of the Silent auction , an alert of 15 minutes before the end of the bidding period will be announced so that people can revisit lots to outbid others before the auction closes!

Enjoy this Preview Catalogue of the Lots on sale, but there's more ! At time of publishing there were still more donations coming in, so some items are not featured but will be in the auctions on the night.

So please come to give us your support and let's start to make a difference for our local animals to give them a better life.

Clare Hopkins.

INTRODUCTION

Bienvenue à cette vente aux enchères indépendante au profit de l'association de sauvetage d'animaux basée en Dordogne : Phoenix Association - une organisation à but non lucratif enregistrée conformément à la Loi 190.

Née d'un amour pour les animaux et reconnaissant les défis auxquels la communauté est confrontée avec le nombre croissant de chats errants et d'animaux sans abri, j'ai décidé d'organiser cette vente aux enchères pour soutenir l'association Phoenix. Tous les fonds de la vente aux enchères iront à Phoenix, avec un accent particulier sur leur programme de stabilisation des colonies de chats et de stérilisation des chats à Issigeac, Bergerac, Ferrensac et au-delà.

J'ai été submergé par un nombre record de dons généreux. J'ai cherché à remercier toutes les personnes impliquées dans ce catalogue, mais n'hésitez pas à me contacter si vous avez été oublié (la vente aux enchères a pris beaucoup plus d'ampleur que prévu !)

Depuis plus de 20 ans, Phoenix s'est engagé à veiller au bien-être des animaux de compagnie sans abri dans cette région. L'association est gérée par un groupe de bénévoles dévoués et ne reçoit aucun financement de la part d'agences gouvernementales. Nous dépendons uniquement de la générosité de nos sympathisants. Pour en savoir plus sur Phoenix, adressez-vous à nos bénévoles lors de la vente aux enchères et visitez notre site web, www.phoneixasso.com.

Comment se déroulent les ventes aux enchères ?

À votre arrivée, enregistrez votre nom et vos coordonnées à l'entrée, où l'on vous remettra une "plaquette d'encheré" numérotée. Conservez-la précieusement, car il s'agit de votre identifiant individuel que vous utiliserez pendant les enchères sur tous les articles présentés dans les salles de vente aux enchères en direct et silencieuses.

Lors de la vente aux enchères en direct, le commissaire-priseur décrira chaque lot et lancera les enchères. Chaque fois que vous soulèverez votre palette pendant la vente aux enchères en direct, elle sera reconnue et votre enchère sera enregistrée. Tout au long de la vente aux enchères en direct, la décision du commissaire-priseur est définitive.

Qu'est-ce qu'une vente aux enchères "SILENCIEUSE" ?

Certains d'entre vous ne sont peut-être pas familiers avec le concept de "vente aux enchères silencieuse". Plutôt que de faire appel à un commissaire-priseur, une vente aux enchères silencieuse consiste à exposer les lots à vendre dans une salle. Des descriptions écrites et une feuille d'enchères sont placées à côté de chaque article. Il y a une enchère de départ et les enchères suivantes sont faites par incrément. L'enchère la plus élevée à la fin du temps imparti reçoit l'article.

Paiements

Si vous remportez une enchère en direct, le paiement doit être effectué en espèces ou par chèque au caissier dans l'heure qui suit l'encheré. Dans le cas de la vente aux enchères silencieuse, une alerte de 15 minutes avant la fin de la période d'enchères sera annoncée afin que les gens puissent revisiter les lots pour surenchérir sur les autres avant la clôture de la vente aux enchères ! Paiement par chèque ou en espèces.

Découvrez ce catalogue des lots mis en vente, mais ce n'est pas tout ! Au moment de la publication de ce catalogue, d'autres dons nous parvenaient encore, si bien que certains articles ne figurent pas dans le catalogue mais seront mis aux enchères le soir même.

Ne manquez pas l'occasion d'enchérir sur un lot spécial, et soyez au rendez-vous !
